"Andrew is a patient, knowledgeable and personable helper of all things digital."
-Dimitri Smirniotopoulos; President at DSI Architects

EDUCATION

School of the Art Institute of Chicago, Chicago, IL — BFA, 2011/2012
Focus in Art & Technology, Visual Design and Interior Architecture.
Recipient of a Merit Scholarship award.

EXPERIENCE

Front-End Web Developer (Freelance), Tribune Company; Chicago, IL — 2013 (Present)
— I brainstorm, collaborate and develop site features and interactions with the User Experience team.
— I translate designs from the User Experience team into CSS3, HTML5, JavaScript and JSP code.
— I co-manage the Advertiser Services' repository of the upcoming Los Angeles Times and Chicago Tribune sites.
— I fix, debug, optimize and extend existing code.
— I create channels for communication to reduce barriers and increase understanding.

Front-End Web Developer (Full-Time), Artistic Digital Services; Evanston, IL — 2012 - 2013
— I translated designs into code using the latest HTML5, CSS3, jQuery and Javascript standards;
— I fixed, extended and optimized existing websites;
— I taught clients how to use and update their websites;
— I created, expanded and deciphered WordPress themes;
— I migrated and adapted content to WordPress and WolfCMS;
— I built forms that sanitize and validate using jQuery/Javascript before submitting to PHP;
— I performed basic white box security analysis.

Front-End Web Developer (Freelance), Cubicle Ninjas; Glen Ellyn, IL — 2012
— I coded designs into websites and fell in love with SASS (Syntactically Awesome Stylesheets) and Bourbon.

Intern, Capacitr; Chicago, IL — 2012
— I wireframed, designed, and built a website and assisted with SEO optimization.

Website Administrator, B is for Bounce; Chicago, IL — 2008 - Present
— I design, manage, co-author, edit and market the content for the electronic music blog bisforbounce.com.
